

Alberta Health Manuals, Handbooks and Guidelines

Section 89(1) of the *Freedom of Information and Protection of Privacy (FOIP) Act* requires that public bodies make available for inspection by the public any manual, handbook or other guideline used in decision-making processes that affect the public.

Below is a list of all manuals, handbooks and guidelines available within the Department of Health – where the publication is available online, a link is provided.
Where no link is provided, contact the FOIP office at 780-422-5111
